VI. ACTION ITEMS

- a. Discussion and Possible Approval to Authorize the Executive Director to execute a Paycheck Protection Program (PPP) Loan through Bank of America, N.A. in the amount of \$446,291.00

Mr. Brady reported that SAWA, along with small businesses across the U.S., has an opportunity to receive federal financial assistance in the form of low interest loans with significant forgiveness provisions. As described in excerpts from The Small Business Owner’s Guide to the CARES Act (U.S. Senate Committee on Small Business & Entrepreneurship) below: “The programs and initiatives in the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was just passed by Congress are intended to assist business owners with whatever needs they have right now. When implemented, there will be many new resources available for small businesses, as well as certain nonprofits and other employers”

“The [PPP] program would provide cash-flow assistance through 100 percent federally guaranteed loans to employers who maintain their payroll during this emergency. If employers maintain their payroll, the loans would be forgiven, which would help workers remain employed, as well as help affected small businesses and our economy snap-back quicker after the crisis. PPP has a host of attractive features, such as forgiveness of up to 8 weeks of payroll based on employee retention and salary levels, no SBA fees, and at least six months of deferral with maximum deferrals of up to a year. Small businesses and other eligible entities will be able to apply if they were harmed by COVID-19 between February 15, 2020 and June 30, 2020. This program would be retroactive to February 15, 2020, in order to help bring workers who may have already been laid off back onto payrolls. Loans are available through June 30, 2020”. If the loan, if approved, has the following requirements: Interest rate of 1%, Maturity of 2 years, First payment deferred for six months, 100% guarantee by SBA, No collateral, No personal guarantees. Mr. Brady request that the Board authorize the Executive Director to execute a Paycheck Protection Program (PPP) Loan through Bank of America, N.A. in the amount of \$446,291. Director Neugebauer moved to approve and authorize the Executive Director, Brian Brady, to execute a Paycheck Protection Program Loan through Bank of America for \$446,291.00.
